

# One Foot In The Grave

Josh Kelley

Heaven, help me  
I'm in trouble  
And I don't know what to do  
I need saving  
I'd start praying  
If I only knew how to

Hey, buddy  
You've been a long time running  
You got every right to be afraid  
Hey, buddy  
Dark times are coming  
You got one foot out and one foot in the grave

Was I righteous?  
Was I fair?  
Was I destined for the devil's share?  
Cause it don't suit me  
To feel deserving  
Of hell, from the man upstairs

Hey, buddy  
You've been a long time running  
You got every right to be afraid  
Hey, buddy  
Been a long time coming  
You got one foot out and one foot in the grave

(Ooh) the candles burning from the bottom  
(Ooh) the only one to blame is me

Hey, buddy  
You've been a long time running  
You got every right to be ashamed  
Hey, buddy  
Change better be coming  
You got one foot out and one foot in the grave, yeah  
You got one foot out and one foot in the grave
