

## Here At The Right Time

Josh Ritter

Under wide blue skies  
There's a place to lie  
For me and Evelyn to hide tonight  
I'll try my best to make a go  
But I'm not sure what I don't know  
Oh chariots, if you're out there  
Please swing low

Tell me I got here at the right time  
If I did it's probably the first time  
No second guesses or secret signs  
Tell me I got here at the right time

You're so red in the eyes  
Either too low or too high  
When I met you you  
Were sick but you did not know why  
I was a pretty poor cure  
But my love for you was always sure  
The bucket was broken  
But the water was pure

Tell me I got here at the right time  
If I did it's probably the first time  
No second guesses or secret signs  
Tell me I got here at the right time
