Trying hard to be aware even when I know the sky s falling Terror cried to me she s scared wanna run away but she s stalling

And the weather is strange it keeps raining everyday I keep walking away from the place in the cage where I feel lik $e\ I\ m$ stuck on the same path I

Followed working hard to try and break the chain Better to see you, better to see you

Now I got a feeling nothing will slow you

Always Afraid

Does the pain you kill change the way you feel Always Afraid

I ran into a friend today he wanted me to know you were sorry I didn't know what to say I want to hear your side of the story

I keep walking away from the place in the cage where I feel lik e I'm stuck on the same path I followed working hard to try and break the chain

Better to see you, better to see you Now I got a feeling nothing will slow you

Always Afraid Does the pain you kill change the way you feel Always Afraid
