

# Firecracker

Josh Turner

Yeah

When I look into her eyes  
It ain't no surprise  
Sparks start a flyin' like the 4th of July  
She gets me so hot my heart starts a pumpin'  
When we get to kissin' there ain't no stoppin'  
When it comes to love she ain't no slacker  
My little darlin' is a Firecracker

When I light the fuse I gotta get back quick  
You gotta be careful with a dynamite stick  
Son of a gun she's fun to handle  
and she packs a punch like a roman candle  
She's a pack of black cats in a red paper wrapper  
My little darlin' is a Firecracker

We might not oughta take a roll in the hay  
Cause we'll burn the barn down a one of these days  
We're a match made in Heaven and it ain't no joke  
But I'd sure hate to see it go up in smoke  
We gotta go thing goin' and it feels so right  
She's a Firecracker  
She's the light of my life

She goes off with a great big bang  
Boys I tell ya' it's a beautiful thing  
When she takes off you better hang on tight  
She's a blonde bottle rocket in the middle of the night  
When she makes love she's a heartattacker  
My little darlin' is a Firecracker

uhuh

Yea, we gotta good thing going and it feels so right  
She's a Firecracker  
She's the light of my life

We gotta good thing goin' and it feels so right  
She's a Firecracker  
She's the light of my life

She's a Firecracker she's the light of my life

Firecracker
