

## Grace Upon Grace

Josh Wilson

Every morning I open up my eyes to see mercy's brand new  
Darkness disappears and the day reveals all You've carried me t  
hru  
You are so faithful and I am so grateful God

Heavenly Father  
You love like no other  
You call me Your own  
You never let go  
You are my rescue  
How can I thank You?  
My sin is erased, my heart is amazed by Your  
Grace upon grace

Seems impossible, a love unstoppable that just won't give up on  
me  
You left the 99 to find a heart like mine that's all the proof  
that I need  
You are so faithful and I am so grateful God

Heavenly Father  
You love like no other  
You call me Your own  
You never let go  
You are my rescue  
How can I thank You?  
My sin is erased, my heart is amazed by Your  
Grace upon grace

I am Yours, I am Yours  
I was made for You, I was made for You  
I am Yours, I am Yours  
I will live for You, I will live for You (Lord)  
Heavenly Father  
You love like no other  
You call me Your own  
You never let go  
You are my rescue  
How can I thank You?  
My sin is erased, my heart is amazed  
Forever oh God I will give You my praise  
My sin is erased, my heart is amazed by Your  
Grace upon grace
