

How To Fall

Josh Wilson

It was prettier than poetry
The first time you said hello to me
Call it crazy, call it meant to be, yeah
But it didn't take me long to see

That you mean more than anyone

I'm running in circles, jumping over hurdles
Working on a song to sing
I want to tell you how I'm feeling
Finding it hard to do
Cause I don't know how to say it, don't know how you'll
take it
Don't know how to fall in love
But I want to learn with you

My friends say I should take it slow
But my dad says when you know, you know
So maybe I'll just rent a car
And I'll drive right back to where you are

Cause you mean more than anything

I never thought I'd drop my guard
Then you broke into my clumsy heart
