

# Belong

Joshua Radin

It's been a while, you've been walking alone, it's been a while  
it's been a while since your heart had a home, it's been a while

you remember the way you came tumbling down  
down to your knees like never before  
you're at the bottom in a bottomless town  
and as you lie on the floor

The rain falls over your face  
drowned in this place too long  
well I know that the sun shines and fights for your day  
you hear it say: "be strong, and don't let it go....  
just keep holding on  
ohhhhhhh  
Soon you'll see that you belong."

You know there's still darkness ahead, you know it  
and I know you heard the things that they said, you try not to  
show it.  
you remember the way you came tumbling down  
down to your knees like never before  
you're at the bottom in a bottomless town  
and you can't see the door

The rain falls over your face  
drowned in this place too long  
well I know that the sun shines and fights for your day  
you hear it say: "be strong, and don't let it go....  
just keep holding on  
ohhhhhhh  
Soon you'll see that you belong."

you belong, you already belong, you belong

You remember the way you came tumbling down  
down to your knees like never before  
You're at the bottom in a bottomless town  
and as you lie on the floor

The rain falls over your face  
drowned in this place too long  
well I know that the sun shines and fights for your day  
you hear it say: "be strong, and don't let it go....  
just keep holding on  
ohhhhhhh  
Soon you'll see that you belong."
