

Cross That Line

Joshua Radin

All along
I thought something would go wrong
Didn't you?
Walls were up
We never pushed our luck, like we wanted to

Every time I loose myself I find
I'm left alone but you need to know

For you I'd break these walls
I'd choose to fall
I'm going to cross that line for you

The sun is down
I thought you'd be gone by now
Didn't you?
Autumn night, I watch your face in the firelight
And I say to you

Every time I loose myself I find
I'm left alone but you need to know

For you I'd break these walls
I'd choose to fall
I'm going to cross that line for you

I don't know the right way
wonder what you'd say if I let go

For you I'd break these walls
I'd choose to fall
I'm going to cross that line for you tonight

The sun is down
I thought you'd be gone by now
