

# Karma

Joss Stone

Oh yeah, yeah  
If I was just a little bit stronger baby  
Coulda made it last a little bit longer maybe  
Coulda made it on my own  
I should have just let you go  
I should have been a little bit stronger baby

If I was just a little bit sweeter baby  
I know, I know, I know I wouldn't be here alone  
Thank God I'm a little bit meaner baby

[CHORUS:]

I am what I am, you did what you did  
I'm glad I'm not a sinner baby, cause here's a twist  
You are what you are, I saw what I saw  
Karma's your master, and you're the bitch

You could have tried a little bit harder baby  
You could have been a little smarter baby  
I tried not to see when you were on and off for me  
You could have tried a little bit harder baby

[CHORUS:]

I am what I am, you did what you did  
I'm glad I'm not a sinner baby, cause here's a twist  
You are what you are, I saw what I saw  
Karma's your master, and you're the bitch

Yes, you are, yeeeah  
Now I got a loaded gun now baby  
Gonna love to watch you run like a lady  
And cry like a baby just like I did when you had gone

I should have been a little bit stronger  
I should have been a little bit harder  
I should have been a little bit tougher  
I should have been a little bit smarter  
I should have been a little bit rougher  
I should have been a little bit stronger  
I should have run a little bit faster  
Away from you baby, away from you

I'm maybe on my own, now the feeling's gone  
It's all gone
