Shadowplay

Joy Division

To the centre of the city where all roads meet Wwaiting for you To the depths of the ocean where all hopes sank Searching for you I was moving through the silence without motion Waiting for you In a room with a window in the corner I found truth In the shadowplay, acting out your own death Knowing no more As the assassins all grouped in four lines Dancing on the floor And with cold steel, odour on their bodies Made a move to connect But I could only stare in disbelief as the crowds all left

I did everything, everything I wanted to, I let them use you for their own ends, To the centre of the city in the night Waiting for you To the centre of the city in the night Waiting for you
