

# Better Than I

Joy Williams

I thought I did what's right  
I thought I had the answer  
I thought I chose the surest road  
But that road led me here  
So I put up a fight  
And told You how to help me  
And just when I had given up  
The truth is coming clear

For You know better than I  
You know the way  
I've let go, the need to know why  
Cause You know better than I

If this has been a test  
I cannot see the reason  
But maybe knowin', I don't know  
Is part of gettin through  
I try to do what's best  
And faith has made it easy  
To see the best thing I can do  
Is put my faith in You

For You know better than I  
You know the way  
I've let go, the need to know why  
Cause You know better than I

I saw one cloud and thought it was the sky  
I saw a bird and thought that I could follow  
But it was You who taught them how to fly  
If I let you reach me, will You teach me

For You know better than I  
You know the way  
I've let go, the need to know why  
I'll take what answer You supply  
Cause You know better than I
