

# Missing Us

JRDN

It's been so long since we last talked  
Kinda feels like it's a past life, yeah, ayy  
After all them that I've been through  
Still remember what you feel like, yeah, ayy

Maybe that just means that I ain't over you  
Maybe you that someone I ain't 'posed to lose  
Maybe I was drinkin', maybe I was overthinkin'  
But I'm off that

(Were you lonely? Yeah)  
(Still love her these days)  
(Do you miss her a lot?) (Yeah)  
(Definitely)

All I'm tryna say is I'm missin' us  
Things ain't been the same since we both gave up  
No, I ain't tryna get up all in your bed this time  
Just know that I'm respectin' all of your wishes  
All I'm tryna say is I'm missin' us

Baby, I'm missin' us  
Baby, I've been missin' your lovin'  
Baby, I'm missin' us  
Baby, I've been missin' your lovin'  
Baby, I'm missin'

I just touched down, thought I'd reach out  
Thinkin' maybe I can come through, yeah  
If it's too soon, baby, that's cool  
I ain't tryna open no wounds

Maybe that just means that I ain't over you  
Maybe you that someone I ain't 'posed to lose  
Maybe I was drinkin', maybe I was overthinkin'  
But I'm off that, yeah

All I'm tryna say is I'm missin' us (All I'm tryna say is)  
Things ain't been the same since we both gave up  
(Things ain't been the same since we both gave up)  
No, I ain't tryna get up all in your bed this time (No, no)  
Just know that I'm respectin' all of your wishes (Respectin' you)  
All I'm tryna say is I'm missin' us

Baby, I'm missin' us  
Baby, I've been missin' your lovin'  
Baby, I'm missin' us (I've been missin' us)  
Baby, I've been missin' your lovin'  
Baby, I'm missin' us

I want you to know what we had before  
It was beautiful, can we go back?  
I can't let it go  
So emotional 'cause I want more than memories  
( 'Cause I want more than memories)
