

# Only You

Judita Čeřovská

Only you  
Can make this world seem right  
Only you  
Can make the darkness bright  
Only you and your love  
Can thrill me like you do  
And fill my heart with love for only you

Only you  
Can make this change with me  
For it's true,  
You are my destiny  
When you hold my hand  
I understand the magic that you do  
For my dream come true,  
That I love only you

Only you  
Can make this change with me  
For it's true,  
You are my destiny  
When you hold my hand  
I understand the magic that you do  
For my dreams come true,  
That I love only you
