

# Image Is Everything

## Jughead's Revenge

Out at a show  
Who's playing? Who cares!  
Got your new store-bought punk wear  
Image a must but why do they stare  
Ten pound piercing in your ear  
Fashion a statement or maybe a risk  
Results in a sigh or maybe a tisk  
Plastic as hell A punk on the go  
You think it may be cool  
But how would you know  
Maybe you'll be in gang  
You heard they're really hard  
Just got shot in the face  
Didn't know it's in the cards  
The money machine Allegiance you keep  
While looking the part Just one of the sheep  
A billboard that's walking For shoes with a name  
That starts with an "A" And ends with a "K"  
Is this all you came for  
Stage diving from the runway floor  
Fashion punk, it's the latest thing  
There's never been a cooler time For anarchy  
You smoke and stare at all those People at the mall  
You think you're different And you'll show them all  
And your parents They'll never understand  
You hate your mom you hate your school Part of the scam  
Out at a show Who's playing? Who cares!  
Ten foot mohawk in the air  
A haircut cannot prove just how Punk you are  
You live with your parents But your life is so hard
