

Sound of a Broken Heart

Jukebox the Ghost

You never saw me,
You never did,
Though, I tried and tried and tried to get you to notice
I think I'll always love you
I just might
Oh, I think I'm gonna love you until the day that I die

I want to get you over, by my side
When you're next to me baby, you can only ever do right
So come on over, to my side
When you're next to me baby, you can only ever do right

(Oh oh oh oh oh oh oh)
That's the sound of a broken heart
(Oh oh oh oh oh oh oh)
That's the sound of a broken heart
(Oh oh oh oh oh oh oh)
That's the sound of a broken heart
(Oh oh oh oh oh oh oh)
Ohhyeah, stop!

You never ever told me
You never do
Though I could see from the look in your eyes that somethin' was troubling you.
You think I didn't ever tell me
Cause there was nothing I could do
But baby I'm here to tell you that that just ain't true

I want to get you over, by my side
When you're next to me baby, you can only ever do right
So come on over, to my side
When you're next to me baby, you can only ever do right

(Oh oh oh oh oh oh oh)
That's the sound of a broken heart
(Oh oh oh oh oh oh oh)
That's the sound-sound-sound of a broken heart,
(Oh oh oh oh oh oh oh)
That's the sound of a broken heart,
(Oh oh oh oh oh oh oh)

I think I'll always love you
I just might
I'm going to try until the day that I die

To get you over get you over, by my side
When you're next to me baby, you can only ever do right
So come on over, to my side
When you're next to me baby, you can only ever do right

(Oh oh oh oh oh oh oh)
That's the sound of a broken heart
(Oh oh oh oh oh oh oh)
That's the sound and the sound of a broken heart
Yeah that's the sound of a broken heart
(Oh oh oh oh oh oh oh)

(Oh oh oh oh oh oh oh)
That's the sound of a broken heart
