Unconditional Love

Julia Fordham

I'm sending out I'm sending out I'm sending out I'm sending out

And when you've got something that's crystal clear And good enough for the whole world to hear Sweeter than honey and beneath the blood That's why I'm sending out my unconditional love

I'm sending out unconditional love I'm sending out unconditional love I'm sending out I'm sending out

And when you know something that you hold dear To soothe away all your doubts and your fears From every angle within and above Here's why I'm sending out my unconditional love

I'm sending out unconditional love I'm sending out unconditional love I'm sending out I'm sending out

When promises are never broken I'll know When every last word has been spoken I'll know When every last deed isn't token I'll know That everyone is sending out unconditional love

I'm sending out unconditional love I'm sending out unconditional love I'm sending out unconditional love That's why I'm sending out unconditional love Here's why I'm sending out unconditional love I'm sending out unconditional love I'm sending out unconditional love I'm sending out my love C'mon C'mon C'mon C'mon C'mon C'mon You've got to send me some love back Give me your love

Everyone send some love everyone send some love Just a little bit, a little bit, a little bit of your love If everyone, everyone could send some love Your healing love, your divine love, your unconditional love
