

Marienbad

Julia Holter

I gave you a statue
Wonder why they're so still on label
...could it be...
Talk to me...to be bull or...

Ten signs that read silence
Ten signs that read silence
Ten signs to...
Possible to say
Ten signs that read silence
So born...skin
Impossible to say
Ten signs that read silence
..frozen green, what's... life
Impossible to say
I can't hear...

Oh, oh, oh
Talk to me...!
..the human whispers so cold...
A few more sights...
Don't be...
The human whisper so cold
