

Let's Forget All The Things That We Say

Julia Stone

I am you,
You are ready like my heart
To be true.
I will stay
You have asked me to hold you
In a way
There's nothing else to do.

The frost is slowly falling
In my heart it's calling you
Ice is slowly melting away
Let's forget all the things that we say.

I am you,
You are ready like my heart
To be true.
All the feathers in your hair
We are young,
But we are older than the light
We've become
In this room.

The frost is slowly falling
In my heart it's calling you
Ice is slowly melting away
Let's forget all the things that we say.

Let's forget all the things that we say, sailing
I am sailing
And there's nothing I'd rather do.
I am sailing, I'm sailing
And there's no one else but you.

The frost is slowly falling
In my heart it's calling you
Ice is slowly melting away
Let's forget all the things that we say.

Let's forget all the things that we say
