

## Bill Drummond Said

Julian Cope

Give me one good reason why I shouldn't win  
(Bill Drummond said, Bill Drummond said)  
If a falling leaf can't help my suffering  
(Bill Drummond said, Bill Drummond said)

And I sat around my feet  
To teach me how to float  
"Get out" she cried  
In the minute she died  
He folded up her coat  
And the family cried  
Go spinning across the sky

(Bill Drummond said, Bill Drummond said)  
If I sit and pray my Christmas tree will die  
(Bill Drummond said, Bill Drummond said)

And if his life gets out of hand  
And if his face turns blue  
These things are sent to try us  
And what more can we do  
And then he walked around my garden  
And sniffed around my coat  
And then I looked around to see him  
His hands around her throat

(Bill Drummond said, Bill Drummond said)  
If a falling leaf can't help me  
(Bill Drummond said, Bill Drummond said)  
If a falling leaf can't help me  
(Bill Drummond said, Bill Drummond said)  
If a falling leaf can't help me  
(Bill Drummond said, Bill Drummond said)  
If a falling leaf can't help me
