Pristeen Pristeen
How much can you take
Pristeen Pristeen
How much can you take
Cause your lying to me was your first mistake
Your trusting in me was your major mistake
Pristeen Pristeen
How much can you take

Cause your lying to me was your first mistake
Trusting in me was your major mistake
Pristeen Pristeen
How much can you take

I went down on Pristeen
Now how much does it take
To go down on someone, someone that you hate
Cause her lying to me was her first mistake
Trusting in me was her major mistake
Pristeen Pristeen
Tell me how much can you take
