

A Spoonful Of Sugar

Julie Andrews

In every job that must be done
There is an element of fun
You find the fun and.... Snap!
The job's a game
And every task you undertake
Becomes a piece of cake
A lark! A spree!
It's very clear to see
That... A...
Spoonful of sugar helps the medicine go down
The medicine go do--own
The medicine go down
Just a spoonful of sugar helps the medicine go down
In a most delightful way
A robin feathering his nest
Has very little time to rest
While gathering his
Bits of twine and twig
Though quite intent in his pursuit
He has a merry tune to toot
He knows a song
Will move the job along
For a
Spoonful of sugar helps the medicine go down
The medicine go do--own
The medicine go down
Just a spoonful of sugar helps the medicine go down
In a most delightful way.
(musical)
The honeybees that fetch the nectar
From the flower to the comb
Never tire of ever buzzing to and fro
Because they take a little nip
From every flower tht they sip
And hence... (echo)
They find... (echo)
(duo) Their task is not a grind
Ah (musical scale)
(End music)
