

All Or Nothing

Julie Reeves

You swear to me that I'm the one
But you need time to have your fun
That boat won't float
How can you say your love is real
When you still want to play the field
That dog won't hunt
You can't have it halfway hon'

It's all or nothing
If you want my loving
You gotta concentrate, dedicate
Show it's love you want to make
That's the only way I'll fall
Cause it's all or nothing

I need a man who's man enough
To stand up in the face of love
Commit, to it
The kind of man who's not afraid
To give my heart an even trade
For him, I'll wait
Can you give me what it takes

No more riding the fence
No more playing it safe
No more waiting till someday
Get into this love or baby get out of the way
It's all or nothing

It's all or nothing
If you want my loving
You gotta concentrate, dedicate
Show it's love you want to make
That's the only way I'll fall
Cause it's all or nothing

It's all or nothing
