

# Arms Of Jesus

Julie Roberts

When you bow your head  
Say a prayer for me  
That I may walk  
On the streets of Gold  
But don't cry  
Don't cry for me  
I've gone to find  
What I need to know

If the arms, arms of Jesus  
Are wide open, wide open for me  
I will run into the arms of Jesus  
if they're open, wide open for me

I've lived hard  
I've lost my way  
And drifted far  
I've gone astray  
But don't cry  
Don't cry for me  
Just pray I'll find  
My Savior's grace

If the arms, arms of Jesus  
Are wide open, wide open for me  
I will run into the arms of Jesus  
if they're open, wide open for me
