

Winnipeg

Julien Doré

I want to go, to Winnipeg
With you [x2]

'cause I accept
And I leave
Oh I gave oh, my fellings
In Winnipeg
For you too
And I swear, and I wish
I couldn't live, I couldn't live in
Winnipeg
With you hoo

I want to go to winnipeg
with you [x4]

And I accept and I live
Oh I gave all my fellings
In winnipeg with you
And I swear, and I wish
I gone live, I gone live
In winnipeg
with you

I want to go to winnipeg
with you
