

Fail With Grace

Julien-K

I wanna watch it come down
I wanna watch it come down
I wanna watch it come down
I don't want to be bound
I want to watch it come down
I don't want to be found
I want to watch it come down
And you take me over
There's never a cure
And you take me over
Full discloser
I don't want to be bound (ah, ah)
I want to watch it come down (ah, ah)
I don't want to be found
I want to watch It come down
And you take me over
There's never a cure
And you take me over
A full discloser
I wanna watch it come down
I wanna Watch it come down
(ah, ah)
(ah, ah) I don't want to be bound
(ah, ah) I want to watch you come down
(ah, ah) I don't want to be found
(ah, ah) I want to watch it come down
