

# This Machine

Julien-K

A shadow of myself, just who am I?  
Scan horizons  
A tragic mystery  
You could have left me here, sealed inside the pod  
No one would ever know - The Chaos Control  
My true identity  
The power that is me

We all danced in fire  
Trapped in this machine  
Don't know how long we've waited  
As the Eggman's watching  
We all danced in fire  
Looking thru the screen  
Don't know how long we've waited  
As the Eggman watches

With Rouge in the fight - electric lives  
Change surroundings  
A jewel in history  
A treasure disappears - as she goes  
Miss her as you look away - and no one knows  
This power is a key  
This power changes me

We all danced in fire  
Trapped in this machine  
Don't know how long we've waited  
As the Eggman's watching  
We all danced in fire  
Looking thru the screen  
Don't know how long we've waited  
As the Eggman watches

Chaos Control  
Chaos  
Chaos  
Chaos  
Chaos  
Chaos  
Chaos

Chaos Control  
Chaos  
Chaos  
Chaos  
Chaos  
Chaos  
Chaos

E-123  
You didn't know - now I'm going to show you  
The power that is me  
You try to take me down - stop the show  
Seems you've never tasted fear - or loss of control  
The power lives in me  
The power that is me

We all danced in fire  
Trapped in this machine  
Don't know how long we've waited  
As the Eggman's watching  
We all danced in fire  
Looking thru the screen  
Don't know how long we've waited  
As the Eggman watches
