

## Waking Up

Julien-K

Waking up, breaking out  
This is what it's like to be free  
Rip it up, tear it down  
This is what it means to be free

Jet sounds a distant roar behind you  
As you try to clear your head  
You start to look and answers find you  
Your inner purpose lies ahead

Waking up, breaking out  
This is what it's like to be free  
Rip it up, tear it down  
This is what it means to be free  
Waking up, breaking out  
This is what it's like to be free  
Rip it up, tear it down  
This is what it means to be free

One step to calm the storm inside you  
Unlock the secrets in your head

Not another day, no more confusion  
No more living like your dead

It seems it's just out of sight  
The ones with answers always get their way  
I think they should know  
That I'm coming for them  
Now!

Waking up, breaking out  
This is what it's like to be free  
Rip it up, tear it down  
This is what it means to be free  
Waking up, breaking out  
This is what it's like to be free  
Rip it up, tear it down  
This is what it means to be free  
Waking up, breaking out  
This is what it's like to be free  
Rip it up, tear it down  
This is what it means to be free
