

# Evangeline

Juliet Simms

She's a blackhearted diva  
With a poisonous kiss,  
But you'll never regret her.

She looks like an angel  
But she hurts like a bitch,  
And you'll never forget her.

Come on, come on, come on  
You're gonna lose your way,  
Bec-c-c-c-cause  
She's gonna make you stay.  
Come on, come on, come on  
You gotta know her name,  
Bec-c-c-c-cause  
You know you can't escape.

Oh my Evangeline,  
Once was blind  
But now I can see,  
Like the night  
Turns into a dream,  
Where'd you go my Evangeline?

Heart-stopping fever  
When she talks with her hands,  
And you want to believe her.

Oh, and all your bones are broken  
When she loosens her grip,  
But you just wanna be her.

Come on, come on, come on  
You're gonna lose your way,  
Bec-c-c-c-cause  
She's gonna make you stay.  
Oh come on, come on  
You gotta know her name,  
Bec-c-c-c-cause  
You know you can't escape.

Oh my Evangeline,  
Once was blind  
But now I can see.  
Like the night  
Turns into a dream,  
Where'd you go my Evangeline?

She's got fire  
That I won't survive,  
Oh my baby  
I'm burning alive.  
She's the power  
That I wanna know,  
Oh my darling  
I'm losing my soul.

Oh my Evangeline,  
Once was blind  
But now I can see.  
Like the night  
Turns into a dream,  
Where'd you go my Evangeline?

Like the night  
Turns into a dream,  
Where'd you go my Evangeline?
