

Get Ready

Juliet Simms

1, 2, 3, 4
Rollin', rollin', rollin', rollin', rollin' till I'm free
Got a one way ticket to paradise, baby
God it seems so sweet

Holy, holy, holy, holy
Say your prayer for me

If you want what I got, you got to get down and tell me on your knees
Yeah
Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready

Goin', goin', goin', goin', goin' till I'm gone
Don't look back down to that, honey
That's why it's so much fun

Holy, holy, holy
Look up against the sky
This time I'm on overdrive
Livin' free or die

Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready
Get ready

Come on

Roll as fast as you can
Gotta, gotta get, get away

Don't give up
Don't give in

Get ready
Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready

Livin' life out on the edge
No fear of what's ahead

Here we go now
Bring it on
Here we go now
Get ready
