

Say Hello

Juliet Simms

You know I've got just what you need
I've got the goods, it's like a 1, 2, 3
Hear the drums and feel the beat
The rhythm pulls you to your feet
Yeah

Say Hello
Say Hello, yeah
Say Hello
Say Hello, yeah
Say Hello
Say Hello, yeah
Say Hello to my little friend

Oh oh
Oh oh oh yeah
Oh oh
Oh oh oh yeah
Oh oh
Oh oh oh yeah
Say Hello to my little friend

I've got you whole town on your knees
I've got you begging "Honey, please"
It's all you're craving, it's all you want
It's all about me what I got

Say Hello
Say Hello, yeah
Say Hello
Say Hello, yeah
Say Hello
Say Hello, yeah
Say Hello to my little friend

Come on up and see me
I've got just what you need
I bet it really gets you going
Say Hello
Say Hello to my little friend

Oh oh
Oh oh oh yeah
Oh oh
Oh oh oh yeah
Say Hello to my little friend

Oh oh
Oh oh oh yeah
Oh oh
Oh oh oh yeah
Oh oh
Oh oh oh yeah
Say Hello to my little friend
