

# Wild Child

Juliet Simms

I'm coming in hot  
And those eyes keep looking at me, yeah  
Ooh and why not? Keep looking, looking  
I'm kind of over the top  
And I like, like your chemistry, yeah  
Yeah let's mix it up, and all you eyes  
Watch!

I'm gonna make a million, billion, trillion, gazillion  
Million, billion, trillion, gazillion  
Trili - Trili  
Milli - Milli -Milli  
I'm done

Cuz I'm a Wild Child, sitting on my throne  
Going all out, going for broke  
Wild Child, Geronimo  
Knocking 'em out, blow for blow  
Let em' say, let em' say  
I'm a Wild Child  
I'm Wild

Ooh take your cheap shots  
It's all you got, put your money where your mouth is  
You're just talk  
So keep it coming, coming  
Ooh like it or not  
Straight up, I'm a lot to handle  
I do what I want, I ain't shy  
Watch!

I'm gonna make a million, billion, trillion, gazillion  
Million, billion, trillion, gazillion  
Trili - Trili  
Milli - Milli -Milli  
I'm done

Cuz I'm a Wild Child, sitting on my throne  
Going all out, going for broke  
Wild Child, Geronimo  
Knocking em' down, blow for blow  
Let em' say, let em' say  
I'm a Wild Child  
I'm Wild

Yeah I'm living it up, living it up, whoah  
Nothing's gonna keep me down, Oh  
I'm living it up, living it up, whoah  
Nothing's gonna stop me now, Ooh

I'm a Wild Child, sitting on my throne  
Going all out, going for broke  
I'm a Wild Child, Geronimo  
Knocking 'em out, Ow!  
I'm a Wild Child, 'n' everyone can tell  
Going all out, going for broke  
I'm a Wild Child, Geronimo

Knocking 'em out, blow for blow  
Let 'em say, let 'em say  
I'm a Wild Child  
I'm Wild

Yeah
