## If You Go Away

## **Julio Iglesias**

If you go away on this summer day
Then you might as well, take the sun away
All the birds that flew in the summer sky
And our love was new and our hearts were high

When the day was young and the night was long And the moon stood still for the night bird song If you go away, if you go away, if you go away

But if you stay, I'll make you a day Like no day has ever been or will be again We'll sail on the sun, we'll ride on the rain We'll talk to the trees and worship the wind

But if you go, I'll understand

Leave me just enough love to fill up my hand

If you go away, if you go away, if you go away

If you go away, as I know you must There'll be nothing left in the world to trust Just an empty room full of empty space Like the empty look, I see on your face

Can I tell you now as you turn to go?
I'll be dying slowly till your next hello
If you go away, if you go away, if you go away

But if you stay, I'll make you a night Like no night has been or will be again I'll sail on you smile, I'll ride on your touch I'll talk to your eyes that I love so much

But if you go I wont cry
For the good has gone from the world, goodbye
If you go away, if you go away, if you go away
