

Beautiful To Me

Jump5

Every heartache that you have, the way you barely even laugh
You feel so insecure but honestly don't you know
All the stuff that makes you feel so bad
You gotta through it out the window, yeah

I've gotta tell you, you're beautiful to me
I've gotta show you, that you were meant to be wonderful
Can't you see, you're beautiful to me
You're beautiful to me

Take a look into the mirror, is it all becoming clearer?
It's so obvious, I believe if you tried
You would be surprised what you'd find
I wish you could see yourself through my eyes, yeah

I've gotta tell you, you're beautiful to me
I've gotta show you, that you were meant to be wonderful
Can't you see, you're beautiful

I know that it hurts but I know what you're worth
A picture of perfection I designed and you are mine

I've gotta tell you, you're beautiful
I've gotta tell you, you're beautiful to me
I've gotta show you, that you were meant to be wonderful
Can't you see, you're beautiful to me

I've gotta tell you, you're beautiful to me
I've gotta show you, that you were meant to be wonderful
Can't you see, you're beautiful to me

You're so beautiful, you're beautiful to me
You're so beautiful, you're so beautiful to me
