

Dreaming In Color

Jump5

I don't watch sad re-runs
I wanna feel the new day that comes
And If I make mistakes, oh well, that's alright
I'd rather fall and take the sting
Then let somebody clip my wings
I know eventually
I'll learn to fly, ya ya

I see the world how it could it be
Dreaming in color
It looks so beautiful to me
Dreaming in color
In reds and blues a thousands hues
Coming in clear and bright
We don't have to live in black and white
Dreaming in color
Na na na na na na na na...

When everything is looking gray
And nothings really going my way
Everybody tells me that I shoot too high
I don't let it shake me, no no
There's a secret place that I go
All I have to do is stop
And I close my eyes, ya ya

I see the world how it could it be
Dreaming in color
It looks so beautiful to me
Dreaming in color
In reds and blues a thousands hues
Coming in clear and bright
We don't have to live in black and white
Dreaming in color
Na na na na na na na na...

Is there to touch
Is there to feel
The world I've been dreaming of
One day I will make it real

I see the world how it could it be
Ya ya
And I close my eyes... ya ya ya

I see the world how it could it be
Dreaming in color
It looks so beautiful to me
Dreaming in color
In reds and blues a thousands hues
Coming in clear and bright
We don't have to live in black and white
Dreaming in color
Na na na na na na na na...
