

## Love Ya Too Much

Jump5

I couldn't sleep tonight  
'Cause you were on my mind  
We've been friends so long  
I treated you wrong, that's not right  
I said some crazy things  
Words I did not mean  
Can I take back the lies  
Can I apologize

I love ya too much  
I love ya just the way you are  
And I love ya too much  
To ever let you down  
And I love ya too much  
You know I wanna wrap my heart around you  
Love ya too much  
To ever let you go  
I want you to know

I've had friends before  
But none have loved me more  
I can't remember who was ever as true as you are  
I get emotional  
'Cause I'm an ocean full  
Of dreams that we can share and hope to get us there

On and on and on  
Together we go on  
So far now from where we belong  
We won't slow down, won't stop now  
Givin' up won't do  
Take a chance on me  
And I'll take my chances on you
