

# Love oh Crazy Love

June Carter Cash

On every March and April, when spring is in the air,  
A fever starts on spreading, but we don't seem to care,

Love oh crazy love, Love oh crazy love  
That's what we call this mangy germ, love oh crazy love

[Spoken] J.C.C -What is love Carl?  
C.S -Why June, that's an aching heart and burning desire  
J.C.C -Put em together and what have you got? Heartburn!  
C.S -Ain't it the truth!

I saw a little mudwall, just sitting on a tree,  
Until he saw a female he was as happy as could be,

Love oh crazy love, love oh crazy love,  
And now she's peckin him to death,  
Love oh crazy love

[Spoken] C.S -June, what in the world is a mudwall?  
J.C.C-It's a little bird that sits on a fence with its mud on one side and its wall on the other.  
C.S - I guessed I asked for that one didn't I?  
J.C.C-You sure did!  
C.S -Well, I'm a sing about the rabbits now

I had two little rabbits, they never got along,  
Until they heard me singing, a crazy old love song

Love oh crazy love, love oh crazy love  
Now I got 60 more to feed,  
Love oh crazy love

[Spoken] J.C.C -Let's say a poem!  
C.S -Alright June, I'll say the first line:

The rabbits nose is shining, I'll tell you as a friend,  
That's cos the powderpuff is on the wrong end!  
The bachelor he was singing, and a man in his own way,  
Then I came a prancing by, and wanted him to play,

Love oh crazy love, love oh crazy love,  
And now she's got me buckled down,  
Love oh crazy love

[Spoken] J.C.C -I shot a bachelor for kissing me once!  
C.S -Why, was he the first one who'd ever tried to kiss you?  
J.C.C-  
No, but he's the first one to try it with his mouth full of tobacco juice!  
C.S-Well, good for you  
J.C.C -Oh, it was a tragedy  
C.S-Well, I would have thought you'd have liked it

I thought I had the willpower, enough to stay at home,  
But every time I see a girl, I can't leave her alone, no

Love oh crazy love, love oh crazy love  
I'd better never catch you bowing,

Love oh crazy love
