

## Rotten Bodies

Jungle Rot

The preacher says dust to dust  
In your life death is a must  
Rotten bodies to the bone  
Satan won't leave you the fuck alone

Never sure when we will go  
Heaven, Hell a brand new show  
As you sit there think you are so great  
Remember death we all should take

Death for those who weep  
Death is mass destruction  
Death is for your soul
