

## Double Shadow

Junior Boys

You're two-faced  
all sideways  
you're dry-eyed  
and nightfly  
your thin chokes  
and splits spokes  
you're high-staked  
you're right-faked  
your floor creeps  
and deep sleeps  
you catch up  
you young pup  
you old dog  
you good fuck

double (12x)

you drive paved  
you grew a shave  
you hardball  
you held gold  
you last heard  
backward  
you luck charm  
you black diamond  
your next kin  
your lost twin  
your short-step  
your better rip  
you cast light  
you snapshot

yeah, you're my double shadow  
you're my double shadow (2x)  
you're my.. double  
you're my..  
double shadow
