## When No One Cares

When no one cares and the phone never rings the nights are endless things

you're like a child that cries and no one heeds the crying you're like a star that dies and seems to keep on dying

when no one cares you count souvenirs and they glisten with your tears

you can't believe a love like hers could come from someone new

when no one cares but you when no one cares but you when no one cares but you **Junior Boys**
