Simple minds do simple things
Like give away big diamond rings
Just give away, give away diamond rings
Simple minds do simple things
Well it's just another minute on the telephone
You can call him up when he's not at home
No, he's not
Well it's just another minute on the telephone
You can call him up when he's not at home
No, he's not
Don't know, don't know what to do
Can't think, can't think, can't think it through
Hey honey have you got the time
Hey honey have you got a dime
He hasn't called for a week
You wanna call him 'cause you're about to freak
Well it's just another minute on the telephone
You can call him up when he's not at home
No, he's not
Well it's just another minute on the telephone
You can call him up when he's not at home
No
You want to bang bang bang
You want to bang bang bang
But he ain't coming back, he ain't coming back
You want to bang bang bang
You want to bang bang bang
But he ain't coming back
You'll soon go down like that
Go down like that
'Cause he ain't coming back
He ain't coming back
Don't know, don't know what to do
Well it's just another minute on the telephone
You can call him up when he's not at home
No, he's not
Well it's just another minute on the telephone
You can call him up when he's not at home
No, he's not
You want to bang bang bang
You want to bang bang bang
But he ain't coming back, he ain't coming back
You want to bang bang bang
You want to bang bang bang
But he ain't coming back
