

## After All Is Said and Done

Junip

Can't remember when we last  
Took the time to see a sunset  
Fleeting moments in your dreams  
Silhouettes in scattered fragments  
All the past so way behind  
Reminds you what you once wanted  
Once you've felt you've found the way  
Left your all ambitions by the lake bed

On each corner you'll see  
Fresh and new horizon  
And it's all about you and me  
And what we can do that matter  
As the waves come and go  
First and each one underneath the snow  
Lies the grass ready to grow  
After all is said and done  
After all is said and done
