

Fuck More

Junkie XL

A cloudy vision
absence of granter
I don't care what is wrong or right
wrong or right
The earth is bleeding
in secreeding madness
petrified, gone dry inside
The wheels keep turning
and the clock is pounding
and there's only more and more
that I want
I want

And through the things
you can still feel the sounding
of the maze, of the place
where things still matter

Rock more
Roll more
Fuck more
Pac-Man is loving it
(2x)

Cause too much till you leave
I'll get down on my knees

Rock more
Roll more
Fuck more
Pac-Man is loving it
(2x)

Fuck

I lost the feeling
a sence of numbness
and it's spinning
like you're top out of sight
out of sight
Climb out the window
what the hell do you know?
You don't even seem to put up a fight

Created by me, for me
It's a place called reality
Broken mirrors
and broken promisses made easily

But I just want you to

Rock more
Roll more
Fuck more
Pac-Man is loving it
(2x)

Consume till you bleed
I'll get down on my knees

Rock more
Roll more
Fuck more
Pac-Man is loving it
(2x)

Fuck

Fuck

Rock more
Roll more
Fuck more
Pac-Man is loving it
(2x)

Consume till you bleed
I'll get down on my knees

Rock more
Roll more
Fuck more
Pac-Man is loving it
(2x)
