

Kamikaze Pilots

Jupiter One

Down in the mire
You can really speak your mind
To just yourself
Only you can live your life
But you just can't fight
The scythe
That takes you down
Can you feel the other side?
Force your body to divide

I never like the endings
Is it me? Why I don't know
Someday I might discover
Where they go
10 kamikaze pilots are enough
Our ship will go down
I never like the endings

Down in the sand leave me screaming on the beach
To just myself
Let the breeze mute my voice
And the waves don't have a choice

To take me down
Can you feel the other side?
Force your body to divide

Don't worry, you won't feel a thing
You'll see a rainbow in the sky
