

# In the House

Jurassic 5

Urhh

Uhh

Yo,

Party people, from right to left just kick off your shoes and enjoy yourself  
The recipe for rap is to flip the script and we the Jurassic 5 and we bout to rip  
So ladies and Gentlemen  
From the music this is farfetched extreme, from the brothers we bring a whole brand new thing,  
Were in-the-house

Yo,

The original rhyme-in-yo hospital the mic, I spin on the mic, believe it, those believing the hype, my beat in this life, whatever you believe in this light, I'm reading it right, whatever, can't ya sing it you'd like It's like, Could it be hot or could it be cold or could it control I'm leaving it co, co c, c, c, controllable to the party goes exclusively, and you agree I'm much better than I used to be, because J5 MC were here to rock, rhymes like yours can never be stopped

You heard the four of us even though it's six, guaranteed to succeed while were bringing you this.

I give J5 uh the recipe, south central MC in the place to be.

Common say ho if ya know that my flow get ya out on the floor and make ya sweat for sure, uh

Cos we got what you need

Stuck on my style and my melody

Yeah, lemmie' show you where the party at

The rhythm from the jungle with a party hat

Party back from the front to back, yeah

Party rap and you know that

So just get back now

Party with the people when you bust that move

Give it up don't stop now

Feel the vibe let the music push you

So ladies and Gentlemen

For the music this is farfetched extreme, for the brothers we bring a whole brand new thing,

Were in-the-house

So ladies and Gentlemen

Get on down

Yeah that's what I'm talking about

Ya see I'm coming with the healing plan

Leaving my enemies running like a ceiling fan

Now while the rest assume

I let my blessings bloom

In a session I take it back like a dressing room and it's a cinch what the tina do,

Turn a roach and you're convinced I'm as dressy as a French quarter filler brew,

so that were beautiful music pharmaceutical ladies and gents this events undisputable

Its tuna fish in the house tonight

Were hustling  
For de money  
Give us the ends  
The dividends  
Yaiah

That hobbadoba shop webe deba he  
That shit will blow up.

Give us the ends

Were hustling  
For de money  
Give us the ends  
The dividends  
Yaiah

Whats the motto for J5 2006?

Were hustling  
For de money  
Give us the ends  
The dividends  
Yaiah

Give us the ends

Yeah you know when a song is going off its like  
Were hustling.
