

# Is There No Truth In Beauty?

Just Surrender

This is how it's been, this is how it will be  
and when you wake up with him, remember when it was me  
and I always will be waiting for you  
and I know that you will never see...that

I can't break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
there's nothing left to say, yeaheeyeah

Do you remember when, you used to laugh there with me  
and now I've become the joke, a punchline's all I will be  
and I always will be waiting for you  
and I know that you will never see ...that

I can't break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
there's nothing left to say

You'll be waiting for the rest of your life  
just so you can finally miss him  
These words don't mean a thing but I'll say them anyway  
...anyway, yeah

I can't break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
there's nothing left to say...but

I can't break away from these chains to my heart  
the further you push me the closer you are  
maybe I should try to let go  
maybe I should try to walk away  
there's nothing left to say, yeaheeahh  
'cause I can't break away
