

# Where Are You Now?

Justin Bieber

Where are you now  
When I need you the most  
Why don't you take my hand  
I want to be close

Help me when I am down  
Lift me up off the ground  
Teach me right from wrong  
Help me to stay strong

Take my hand and walk with me

I need you to set me free yeah

[Chorus:]

Where are you now  
When nothing is going right  
Where are you now  
I can't see the light

Where are you now,  
When I need you the most?

I need you  
To need me  
Can't you see me  
How could you leave me  
My heart is half empty  
I'm not whole  
When you're not with me

I want you  
Here with me  
To guide me  
hold me  
and love me now

Why don't you take my hand?  
I wanna be close.  
Take my hand and walk with me, yeahh.

[Chorus]

So take my hand and walk with me.  
Show me what to be, yeah  
I need you to set me free, yeahh.

Where are you now?  
Now that I'm half-grown.  
Why are we far apart?  
I feel all alone.

[Chorus]
