Where Are You Now?

Justin Bieber

Where are you now When I need you the most Why don't you take my hand I want to be close

Help me when I am down Lift me up off the ground Teach me right from wrong Help me to stay strong

Take my hand and walk with me

I need you to set me free yeah

[Chorus:] Where are you now When nothing is going right Where are you now I can't see the light

Where are you now, When I need you the most?

I need you To need me Can't you see me How could you leave me My heart is half empty I'm not whole When you're not with me

I want you Here with me To guide me hold me and love me now

Why don't you take my hand? I wanna be close. Take my hand and walk with me, yeahh.

[Chorus]

So take my hand and walk with me. Show me what to be, yeah I need you to set me free, yeahh.

Where are you now? Now that I'm half-grown. Why are we far apart? I feel all alone.

[Chorus]
