

(Another Song) All Over Again

Justin Timberlake

You've been alone, you've been afraid
I've been a fool
In so many ways
but I would change my life
If you thought you, might try to love me
So please give me another chance
To write you another song
And take back those things I've done
Cause I'll give you my heart
If you would let me start all over,
Again

I'm not a saint
I'm just a man
Who had heaven and Earth
In the palm of his hand
but I threw it away
So now I stand here today asking forgiveness and if you could j
ust please
Give me another chance
to write you another song
And take back those thing's I've done
Cause I'll give you my heart
If you would let me start all over
Again

Little girl you're all I've got.
Don't you leave me standing here once again?
'Cause I'll give you my life
Yes I would.
If you would let me try to love you

So please give me another chance to write you another song and
take back those thing's I've done

'Cause I'll give you my heart
If you would let me start all over
Again

Again, oh, no no ohh

You know I love you, yeah
give me one more chance
No no, no no no no
