And to top it all off, where'd you get your hips your lips,
Musta got em at a boutique in heaven.
Where'd you get your boobs your ass,
Musta got em at a boutique in heaven.

And I know your beauty wasn't cheap (your rich)
I know that your beauty wasn't cheap (coz your expensive looking)
You're sexy and sophisticated.

She musta got it at a boutique in heaven.
I'm askin where'd you get that beauty from,
She musta got it at a boutique in heaven.

I'm sorry baby I didn't mean to make you blush like that. I just had to know.
