

# Pair of Wings

Justin Timberlake

If I had a pair of wings  
I'd pick you up and fly you far away from here  
And you'd put your worries upon my shoulders, my dear  
Now I know I can't save you  
From the troubles of the world  
And this sounds like such a silly thing  
But if I could I'd fly you away  
On a big old pair of wings

And if I had a pair of wings  
I'd pick you up and fly you far away from here  
And we'd fly so high up in the sky  
Where the stars are so clear  
And then I could save you  
From the troubles of the world  
And all you'd have to pack is your heart to bring  
And there we are, you and me  
Flying on a big old pair of wings

We keep getting older, the world keeps getting colder  
Tell me when did we lose our way?  
It's so hard not to lose your mind in such crazy days  
But if I had one wish I know what I'd wish for  
There's only one thing that will do  
I'll fly away on this pair of wings with you

If I had a pair of wings  
I'd scoop you up we'd fly away and disappear  
Then you could put your worries upon my shoulders, my dear  
Now I know I can't save you  
From the troubles of the world  
I know this sounds like such a silly thing  
But if I could I'd fly you away  
On a big old pair of wings

And if I had a pair of wings  
I'd pick you up fly you far away from here  
And I could stay right by your side and keep you so near  
And then I could save you from the troubles of the world  
And all you'd have to pack is your heart to bring  
And there we are, you and me  
Flying on a big ol' pair of wings

We keep getting older, the world keeps getting colder  
Tell me when did we lose our way?  
It's so hard not to lose your mind in such crazy days  
And if I had one wish I know what I'd wish for  
There's only one thing that will do  
I'd fly away on this pair of wings with you

And If I had one wish I know what I'd wish for  
There's only one thing that will do  
I'd fly away on this pair of wings with you

I said if I had one wish I'd know what I'd wish for  
There's only one thing that will do  
I'd fly away on this pair of wings with you
